PREREQUISITES

- All trainees must:
 - Be a licensed Esthetician, a Spa owner- OR -
 - Currently enrolled in a beauty school (verifications will be required)
 - Have an active personal liability insurance (for the hands-on training class)
 - All students must follow their state licensing rules
- Complete an online application and be approved by the company

Trainees are encouraged to be wax models for one another during their hands-on training. If it's an 1-on-1 class you will also receive a wax from the trainer, and get to watch a detailed demo on a model.

OVERVIEW OF COURSE

- Our mission is to provide our trainees with a quality education. *The Wax Haus Method*® offers courses in hard waxing techniques and education, for estheticians invested in becoming wax experts, that provide safe waxing services with exceptional results.

LEARNING OBJECTIVES

- During the class we will cover many topics that are necessary for you to take into consideration before you wax this intimate and sensitive area. We will give special attention to detailed waxing techniques and client position during the waxing session.
 - Bonus training: How to properly wax the underarms.
 - We will include the following topics and much more:
-

-
- How to do a consultation with a client before any wax service
 - Client release forms that are required
 - Brazilian waxing etiquette
 - Female brazilian waxing methods
 - Underarm waxing and how to identify hair patterns
 - How to handle skin reactions and breakouts after waxing any area
 - How to identify skin and waxing contraindications
 - What products to use before and after waxing
 - The importance of High Frequency
 - How to apply and remove small wax patches
 - How to avoid wax accidents and prepare for if something goes wrong
 - How to educate your client and after wax suggestions

METHODS OF INSTRUCTION

- *The Wax Haus Method*® is an educational waxing class with lectures, live waxing demos and hands-on participation.
- Each waxing course can be offered as: Demo only, Hands-on participation, One-on-one training.
- Trainees will have the opportunity to observe the instructor waxing a model while being guided through the process in detail, followed by an in-depth Q&A session.
- Company will provide all supplies and wax products needed for this training.

WORKLOAD

- Training is done in a single day and the day is split into 4-5 sessions.
 - Session 1 - Manual Review
 - Session 2 - Brazilian Demo
 - Session 3 - Underarms Demo
 - Session 4 - Q&A
 - Session 5 - Hands on Training with one waxing model (when you sign up for this training)

WAX MODEL REQUIREMENTS

- Students are highly encouraged to participate as a wax model for each other during their hands-on training session so they can better understand the techniques they are learning, and the experience it provides. If you need a waxing model, please request for one to be provided for you ahead of time with an additional fee of \$150/model. Exceptions are made for male waxing and male Brazilian training in which case all students must provide their own model for their hands-on practice, unless we discussed otherwise.
- All waxing models must have at least ½" long (or longer) hair growth in order to be eligible as a waxing model for the training session. This is about 3-4 weeks post-shave/wax growth.
- All wax models must complete a release form ahead of time and will be required to list personal health information including allergies, medications, and other related health conditions.

PAYMENT

- Full payment for each course is due at the time of registration.
- Payment is not refundable in case of a late cancellation or a no-show.
- Paypal, debit and credit cards are accepted.
- Payments from State or Federal student financial aid programs will not be accepted.
- No refunds will be given to the trainee after taking the class. No exceptions.

CERTIFICATION

- Each student that is in attendance and actively participates in the training will receive a digital certificate of completion following the hands-on course.
- Certification will not be given for a Demo class.

OFFICIAL COMPANY ENDORSEMENT

- To be added to our list of preferred/recommended wax experts, you must apply for an official endorsement by Wax Haus and Skin and *The Wax Haus Method*®. This is in addition to the certificate of completion.

-
- In order to receive an official endorsement by our company, you must take a hands-on class, complete and submit an online assessment and application.
 - Your training day performance will be under review in addition to your application, and if approved, you will receive the official Certified Seal of *The Wax Haus Method*®.

ATTENDANCE/TARDINESS

- All trainees are expected to show up a minimum of 15 minutes before the start of the scheduled training session. Check-in for training will begin 30 minutes prior to the start of the first session.
